

LODI UTILITIES RATE SUMMARY

We're proud to be your locally owned and operated utility.

Lodi Utilities has quick on-site response, efficient operations, helps keep energy dollars in the community, and values the community. At Lodi Utilities our purpose is simple – to provide exceptional service to the community at a reasonable cost.

CP1 Energy Limiter

Monthly, CP1 customers shall be billed the lesser of:

1. The amount of the Energy Limiter, or
2. the amount of the Energy Charge plus the amount of the Demand Charge

Distribution Demand

Charges shall be based on the highest monthly Maximum Measured Demand occurring in the current or preceding 11-month period.

Maximum Measured Demand

The largest amount of electricity supplied in 15 consecutive minutes during each month.

Power Cost Adjustment Clause (PCAC)

This adjustment reflects the variance in the cost of purchased power from the amount included for these costs in our basic electric rate. The PCAC may be applied to all rate classes.

Disconnection

Disconnection notices are mailed out to all past due accounts 10 days prior to the disconnection date. Courtesy contact via phone or door tag will be attempted at least 24 hours prior to disconnection if no payment or deferred payment agreement has been made.

Reconnection Charges

Reconnections will only be done during office hours of 8 am - 2 pm. A \$40 charge will be applied to the account.

Due Date

Your bill is due and payable by the due date shown. A 1% late payment charge will be applied to the current balance after the due date.

Monthly Charge

The meter and minimum monthly charges cover the cost to maintain our meters, lines, and pipes.

Meter Multiplier

On some types of meters, a multiplier is used to convert the meter readings to your total energy use.

Minimum Bill

A bill that contains only customer charges related to the appropriate customer class for each service and contains no consumption charges.

Payment Not Honored by Financial Institution Charge

Each occurrence \$35 (\$25 Electric Only Accounts)
