

Electronic Bill Payment: One Less Check to Write! One Less Bill to Mail! ... and It's Free!

Electronic bill payment takes the hassle out of paying bills. This FREE service allows your payment to be electronically paid directly from any checking or savings account.

How it works

Fill out the application form below and return it to our office along with a voided check. You will continue to receive a monthly bill showing your charges and the amount due along with the due date. The payment coupon on the bill will indicate that the payment has been pre-authorized.

Billing Issues

You should review your bill immediately and contact Lodi Utilities if you see a problem. If adjustments need to be made, they will then be done prior to the electronic transfer.

When are the funds withdrawn?

The payment will be withdrawn from your account on the due date printed on the bill.

What if I need to stop the payment?

You may cancel your application for electronic payment by notifying Lodi Utilities in writing. You must do this at least five business days in advance of the due date.

APPLICATION FOR ELECTRONIC PAYMENT

Please fill out the attached form along with a CHECK marked VOID and return it to Lodi Utilities.
