

WE'RE HONORED TO BE YOUR LOCAL UTILITY

We take pride in providing Lodi with reliable power, friendly hometown service and local control. Join us in promoting renewable energy. This spring, just in time for lawn mowing season, we're giving away a FREE electric lawn mower. Any Lodi Utilities residential customer who is signed up for Choose Renewable by **Thursday, April 28th**: will be automatically entered for a chance to win.

Sign Up for Choose Renewable!

Sign up for Choose Renewable by April 28, 2022 and be entered into a drawing for a chance to win a SKIL self-propelled electric lawn mower. Receive one entry for each block purchased. All Lodi Utilities residential customers are eligible to participate.

CHOOSE
renewable

Did you know that it only takes two or three blocks of renewable energy to power the average home for a month? Our Choose Renewable Program starts at only \$2 per 300 kWh block per month and increases the amount of electricity generated from clean energy sources, helping lower costs over the long term. See lodiutilities.org for details.
