

HELP OUR COMMUNITY RAISE \$25,000 BY SAVING ENERGY

Join in Lodi's Save to Give Challenge

SAVE ENERGY AND SUPPORT LOCAL NONPROFITS

Changing just a few behaviors can lower your energy bills and help our community raise up to \$25,000 to support local organizations. Participating in the energy challenge is a win for your wallet, a win for our nonprofits, and a win for the community!

The Save to Give Challenge is sponsored by FOCUS ON ENERGY®, Wisconsin's energy efficiency and renewable resource program.

HOW YOU CAN MAKE A DIFFERENCE

Beginning in 2021, you can sign up for the Save to Give Challenge online, through Lodi Utility's MyAccount platform. During the two, 8-week donation campaigns – one beginning in winter 2021 and another in the summer – you can:

- Choose the nonprofit organization you want to support
- View easy ways to save energy in your home
- Record energy saving actions you take to earn points.

When enough Lodi residents sign up and earn points by saving energy, local nonprofits share the prize money from Focus on Energy.
